Free Meals for all LASD Students
Effective Aug. 31, 2020

Free Breakfast and Lunch for all students

Effective Aug. 31st the USDA has granted a waiver for free meals until Dec. 31, 2020. All students regardless of financial status will receive free meals until Dec. 31, 2020. (pending federal funding)

Please continue to fill out free and reduced applications as they will need to be applied after this program expires and those statistics determine other funding also. No meals will be charged for students through the end of 2020.

Extra milk or juice items are not included.

Any money in your students account will remain until charges begin again in January. Any money paid for meals beginning Aug. 31 will be credited to your accounts.

Distance learning students are eligible for daily hot lunch meals or a possible alternative weekly meal plan separate from the hot lunch menu. Please contact the school to request.
